

Meadow View 2018 Fall Newsletter

HALLOWEEN NIGHT—

We will again hire security to control the entrance access to the community on 10/31/18. This years password is **MONSTER MASH**. Please remember to give this to your guests coming over that night.

Everyone have a Fun & Safe Evening!!

MONSTER MASH

WELCOME To the Subdivision ALL NEW Homeowners!!

PETS-

ALL pets (cats & dogs) must be on a Leash when not contained to your yard. The board is getting complaints about Cats & Dogs that are roaming homeowners yards. Please be considerate.

Also, Please remember to pick up your pets waste immediately.

LANDSCAPING- Autumn is here, which means the leaves will start to fall. Plants and weeds will start to die.

This is the perfect time to start working on cleaning up before the COLD winter months hit.

SNOW PLOW TIP— During snow days, please park in your driveway or in your garage so that streets can be cleared of snow. Snow plows will not plow if they can not get through.

EMAIL COMMUNICATION— We would like to be able to communicate with you via email. If you have not provided your email address to DNI we would appreciate you sending a quick note to include your name, address and phone number to your community manager, Ingrid Stewart, istewart@dniproperties.com. Email Addresses are kept confidential, used only for business purpose.
